

## **Ferrari Tractor CIE**

*"Appropriate Technology for Agriculture"*

### **The Ultimate in Compact Diesel Crawlers**

Fort of Italy offers jewel like tractor designed to till, mow, spray in high density orchards, vineyards, nurseries and gardens. Go anywhere crawler tracks handle steep slopes and minimizes compaction. Powered by a 2 cylinder water cooled Lombardini Focs engine, equipped with disc brakes and wet disc steering brakes, the "Galaxy" is a worker as well as a show piece. An unforgettable Gift to the Successful for just \$19,875.<sup>00</sup>
