Attention Olive Oil Producers

August 2007

Harvest season for olives for oil production is only a couple of months away. It is time to order equipment to do the job right and minimize the struggle.

1. Arriving in September, (1) Campagnola Olive Oil Press ready to operate.
2. New Olive Catching Tarps. Special netting is designed to handle olives correctly is very light and easy to handle. 30 ft. x 30 ft \$165.⁰⁰ each. (20) coming in September. Put in your order today.
3. Air Compressor to run four Olistar Olive harvesters at a time to allow several trees to be worked at one setting. Price \$3,000.⁰⁰ (4) in stock today.
4. Olistar harvesting rakes with telescoping pole allows you to reach 15 ft. from ground. Pulls down olives without damaging the trees foliage and eliminates the danger and wasted time of using ladders. Light weight and easy to use. (20) in stock today. \$1,200.⁰⁰ each.
5. If you plan to harvest olives this year, today is the time to order equipment. Call Ferrari Tractor CIE at (530) 846-6401 or Fax (530) 846-0390.

Battery powered Trolley version of the Olistar harvester. 3 available this September.
Price \$2,400.⁰⁰

Battery powered backpack version of the Olistar harvester.
